FEI Northeast Ohio Chapter

Leadership | Vision | Management

2022-2023 Chapter Meetings

Since 1931 FEI has been connecting Financial Executives through:

Interaction
Information
Influence
Integrity

Our Northeast Ohio chapter is a dynamic group comprised of CFOs and senior financial executives. We provide our members with resources and networking opportunities at the local and national level. Monthly Chapter meetings are held September through April and consist of a professional development session, cocktail hour/networking reception and a keynote speaker. Our professional development sessions are presented by a top-notch cadre of strategic partners and attendees earn 1 CPE credit for each professional development program attended (additional CPE is available for attending most of the keynote presentations).

WE LOOK FORWARD TO ANOTHER GREAT YEAR!
